Hello, my name is Jen. I have been a teacher in Wayne County for 23 years. I have a masters degree and working on my plus 30 hours. My certificate is for kindergarten through 8th grade, but really enjoy working with 3rd grade and up. I am offering tutoring in my home after school. I have taught 3rd grade for 3 years and 6th for 22 years. I am willing to tutor any subjects but my favorites are math, science, and reading.
